Oh, it has been a long interesting morning.

Anyway, yes, I should get an update from Ron and folks before the 3:00.

Thanks

3309 is Bob Sussman's office. Are the trains running late? It looks like you now have a briefing with LPJ at 3:00 today. Do you need anything or want me to set up a call with staff prior to this?

Could you find out where 3309 is? Is that Bob's office?

I now have a meeting with Bob P and Janet around Noon, so I will be late for the Brown Bag.
